Project Template — Notes for Club Leaders

Scratch   PDF

Introduction:

Explain the project, focusing on what children will learn. Remember that these notes will be read by club leaders and not children.

Resources

For this project, Scratch 2 should be used. Scratch 2 can either be used online or offline.

You can find a completed version of this project online, or it can be downloaded by clicking the 'Download Project Materials' link for this project, which contains:

- ProjectName.sb2

[Remove this section if your project doesn't require any additional resources.] This link also includes a 'Project Resources' folder, which contains images that children will need to complete this project. Make sure that each child has access to a copy of these resources.

Project resources: + List any resources here.

Learning Objectives

List the skills taught in this project, for example:

- Variables;
- Use of sounds.

Challenges

- "Challenge name" - explain the aim of each challenge - what skills will be used, and what is the outcome?

Frequently Asked Questions

You can also add answers to common questions here. This will help club leaders when undertaking your new project with children. This section can be removed if it is not necessary.
